

**LEEWOOD REAL ESTATE GROUP NJ BACKYARD  
BBQ OPEN HOUSE A SUCCESS!**

**TRENTON, NJ** – Leewood Real Estate Group NJ, LLC recently held a Backyard BBQ and Open House at Renaissance at Trenton, its newest community of innovative two-family homes in Trenton. The event featured fun, food, home tours, mortgage consultations and information about Leewood's new "Live in one home - Rent out the other" homeownership and personal wealth building program.

According to Michael Fink, President/CEO of Leewood, "The event was a homerun! We had about 225 folks join us, several families were pre-approved for mortgages, and one has already signed a contract with several more coming in this week to select their homes. Interested buyers have kept us really busy by calling and meeting in our downtown office ever since the Backyard BBQ."
